

Most likely to succeed.

Their significant accomplishments are matched only by their impressive life goals, and now, these eight outstanding high school seniors from the Orange Unified School District are bound for the top universities throughout the country.

Selected for their outstanding leadership skills and for their potential to make a difference in their community, they are scholarship recipients of The Irvine Company's Student Leadership Awards Program. They have competed with 24 other seniors from 12 high schools on The Irvine Ranch® for \$120,000 in scholarship grants.

The Irvine Company and the Bren Foundation have made a multi-million dollar commitment to support the exemplary schools on The Irvine Ranch—schools that are consistently ranked among the finest in the state.
