Investing in Education

THEIR SIGNIFICANT ACCOMPLISHMENTS ARE MATCHED ONLY BY THEIR IMPRESSIVE LIFE GOALS, and now the 32 extraordinary young men and women pictured are bound for the top universities throughout the country. Selected for their outstanding leadership skills and for their potential to make a difference in their community, they are scholarship recipients of The Irvine Company's 2007 Student Leadership Awards Program.

The program recognizes two high school seniors, one young man and woman, from 16 schools in the Irvine, Laguna Beach, Newport-Mesa, Orange and Tustin unified school districts. The students competed for \$120,000 in scholarship grants and the four finalists each received \$10,000.

The Irvine Company and the Donald Bren Foundation have made a multi-million dollar commitment to support the exemplary schools on The Irvine Ranch—schools that are consistently ranked among the finest in the state. It is our belief that one of the most important elements of a balanced community is quality education. We view the Student Leadership Awards Program as a meaningful way to recognize and support our leaders of tomorrow.

We congratulate all 32 winners for their outstanding achievements.
